

# Maths Corners

The worksheet contains seven number puzzles arranged in a grid-like fashion. Each puzzle consists of a central circle with a number and surrounding blocks with numbers. A central instruction box says "Add the side blocks to make the number in the circle".

The puzzles are:

- Top Left:** Circle contains 7. Side blocks: top-right (5), bottom-left (1), bottom-right (3).
- Top Right:** Circle contains 6. Side blocks: top-left (4), bottom-left (3), bottom-right (2), bottom-right (5).
- Middle Left:** Circle contains 5. Side blocks: top-left (4), bottom-right (1), bottom-right (3), bottom-right (2).
- Middle Right:** Circle contains 4. Side blocks: top-left (3), bottom-right (1), bottom-right (2), bottom-right (0).

Central instruction box: Add the side blocks to make the number in the circle

# Maths Corners

The worksheet contains six large circles, each with a number inside. Each circle is surrounded by four interlocking blocks that form a square-like shape. The numbers in the circles are: 6, 4, 9, 8, 4, and 9. The numbers on the blocks are: 1, 5, 2, 3; 2, 1, 3, 4; 4, 1, 7, 3; 6, 5, 1, 3; 2, 1, 3, 4; and 4, 1, 7, 3.

Add the side blocks to  
make the number in the  
circle
