

Stone Age

<ol style="list-style-type: none">1. Coil pottery – make clay pots2. Weave with cardboard loom – make a lovely mat for doll's house3. Sewing fake fur clothes4. Make camp fire and cook meat5. Make shell/ wood/ cork necklaces	<p>http://www.historyforkids.org/ http://en.wikipedia.org/wiki/Stone-Ages</p>
---	--

Complete as many projects and activities as you wish on the Stone Age. Store all your mini books, notepages and photos of large 3D projects and paste these into your Ancient History Lapbook folder when you have completed this section.

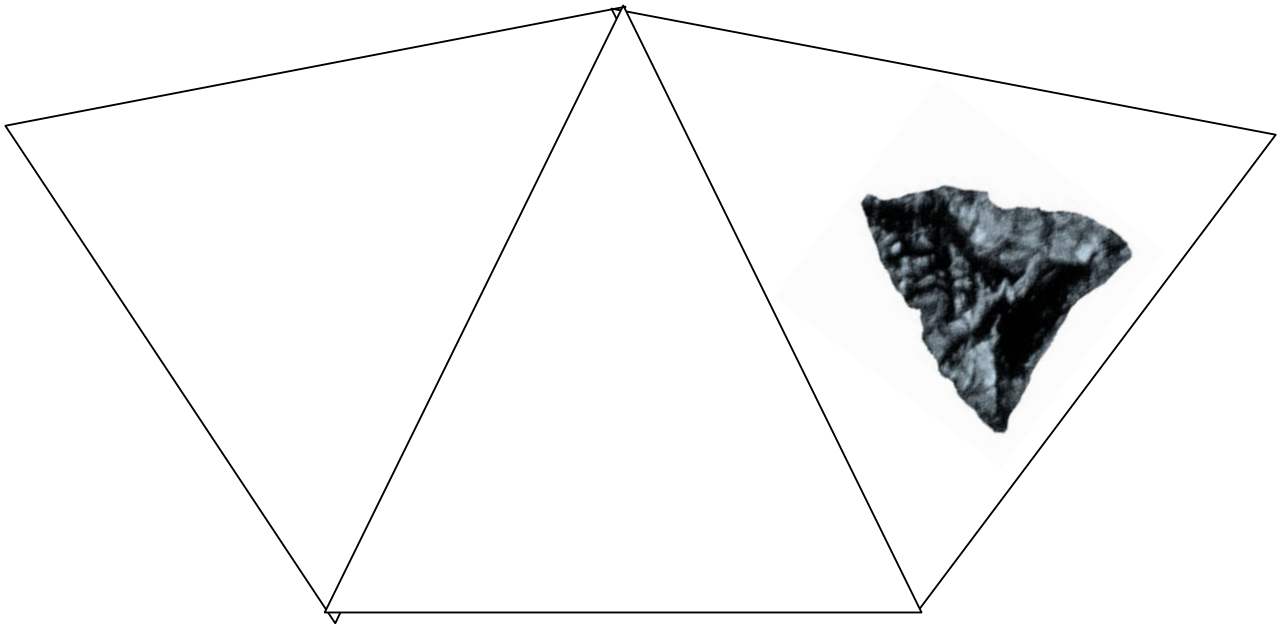

Coil Pots

Cut out as one piece and fold in middle. Write step-by-step description of how you made your coil pot or print out a photo of your coil pot and paste inside this flap book.

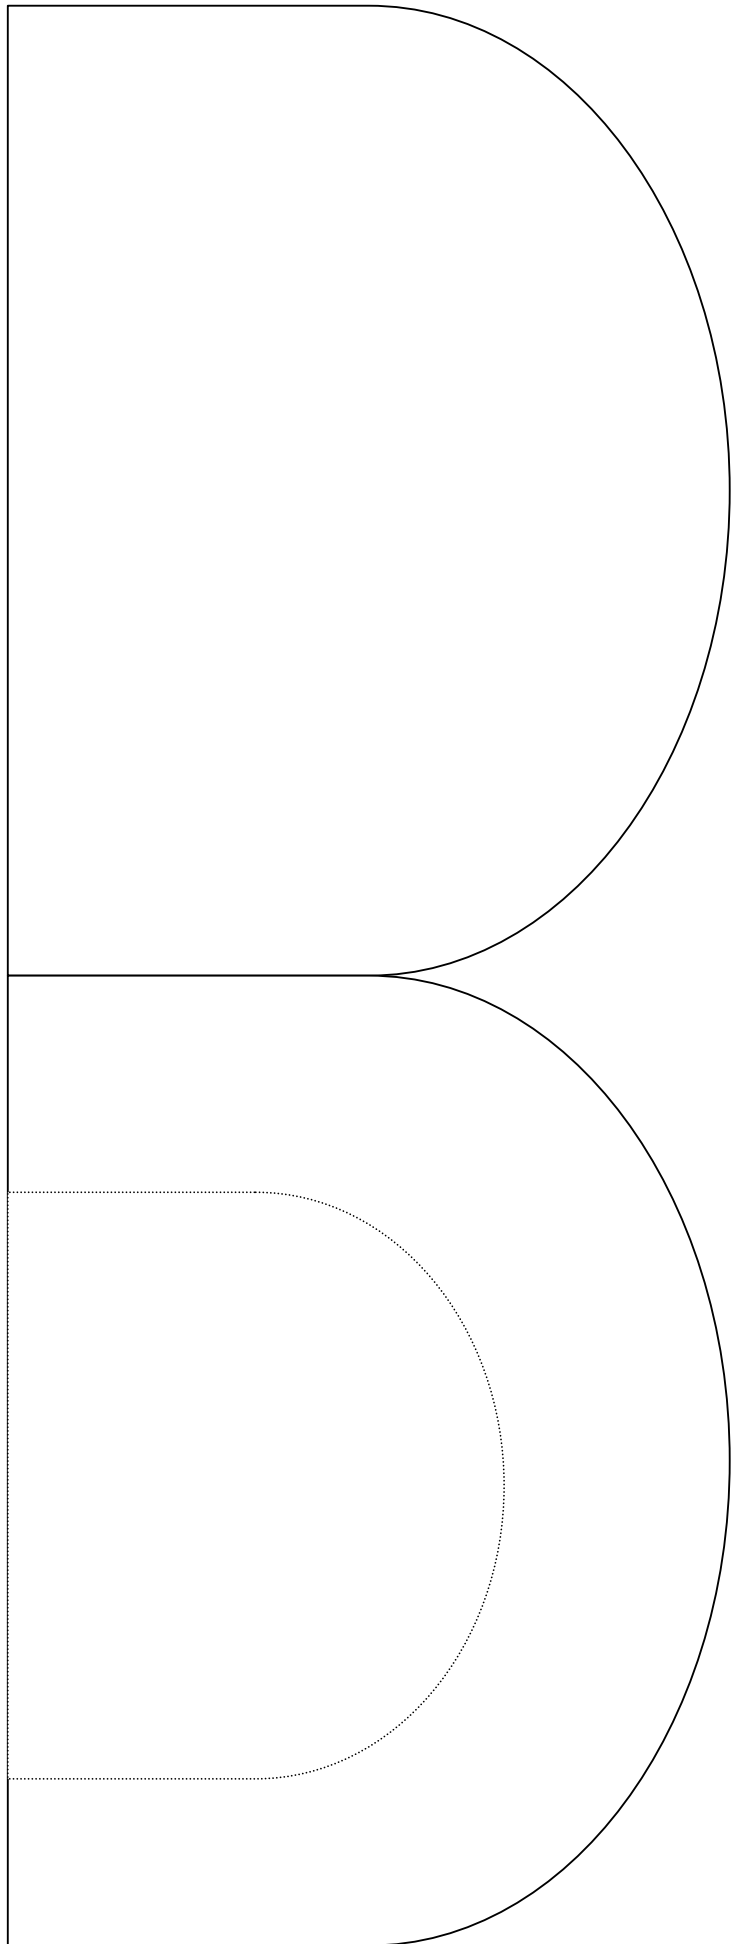

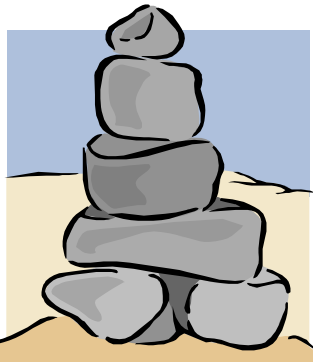

Stone Tools

Cut out as 1 piece. Fold left side over right side. Write about or draw the stone tools and how they were used.

Caves

Cut out as one piece.
Fold in middle.
Cut out door of cave so that
the inside of the cave is seen.
Draw or describe the things
Stone Age people used
at their homes.

Flap Book Cut out around entire mini book. Fold in half. Cut flaps on dotted lines. Write a few facts under each flap.
