# Maths Corners

The worksheet contains six large circles, each with a number inside. Each circle is surrounded by four interlocking blocks that form a square-like shape. The numbers in the circles are: 6, 4, 9, 8, 4, and 9. The numbers on the blocks are: 1, 5, 1, 4; 2, 3, 3, 4; 1, 1, 3, 3; 2, 1, 1, 3; 3, 5, 6, 5; and 1, 5, 7, 3.

Instruction: Add the side blocks to make the number in the circle
