

Beautiful Girlhood... Ideals

Let her be pure and noble...

She must be sweet-voiced & gentle...

She must always have a kind word for all...

Her clothing must be modest and becoming...

She must be known for the beauty of her character...

She must be loving, tender-hearted and sympathetic...

She must be true-hearted and loyal in friendship...

She must be a Christian, serving God with all her heart.

To my beautiful girls...
love
